

# CLEAN CURRENTS 2022™

Where Waterpower Moves Forward | Powered by **NHA**

## HOST UTILITIES:

Pacific Gas and Electric Company

## Clean Currents 2022

October 18-20, SAFE Credit Union Convention Center, Sacramento, CA

Clean Currents 2022 is the official waterpower tradeshow + conference of the National Hydropower Association—promoted by North American waterpower to benefit the industry. Conventional hydropower, pumped storage, small hydro and marine energy are already flexible and renewable clean energy sources. Clean Currents will showcase innovative solutions, thought leadership and exclusive educational opportunities to ensure that the advantages of hydropower remain relevant long into the future.

### For the Industry. By the Industry.

All proceeds from Clean Currents will go directly toward funding the activities and work of NHA.

Clean Currents offers exhibit and sponsorship opportunities for you to support NHA and your industry. As a supporter of Clean Currents 2021 your company will have first opportunity to show your support at Clean Currents 2022. NHA members receive special pricing.

Exhibit Sales for next year begins at Clean Currents 2021 for current supporters by a priority points selection process. Exhibit sales will open to all NHA members and industry in November 2021.

Clean Currents 2022 Floorplan available at [bit.ly/cleancurrents2022](https://bit.ly/cleancurrents2022)

## Priority Points

Clean Currents has established a priority points system for rebooking as a way of organizing the exhibit selection process. This system ensures a fair and transparent process for all parties involved. Exhibitors and sponsors accumulate points for the booth assignment process for the following year. Exhibitors will accrue points based on the below set of criteria.

Type of Points	Points Earned
<b>NHA Membership</b> - Current	<b>50</b>
<b>Clean Currents Exhibitor Advisory Committee (EAC)</b> - Current Membership	<b>5</b>
<b>Booth Size</b> (space paid and occupied)	<b>2 per 10x10</b>
<b>Consecutive Years Exhibited</b>	<b>1 per year, starting in 2021</b>
<b>Overall NHA Financial Support</b> (Sponsorship, Advertising, Membership Dues)	<b>1 per \$1,000, starting in 2021</b>
<b>Years Missed</b>	<b>-2</b>
<b>Booth Violation</b>	<b>-1</b>

Clean Currents 2022 Exhibitor/Sponsorship Prospectus coming soon with new and exciting opportunities to access the leading experts in waterpower. Sponsorship Opportunities will be selected by First Right of Refusal to the Clean Currents 2021 supporters beginning in December 2021 and sponsorship opportunities will open to all in January 2022.

For additional information about Clean Currents 2022 or NHA membership, contact Diane Lear at [diane@hydro.org](mailto:diane@hydro.org) or call 202 378 3102.
